Wieliczka Salt Mine	A UNESCO World Heritage underground route with extraordinary chambers, chapels and salt sculptures. Transport, timed admission and an English-language guide can be arranged.
Auschwitz & Birkenau	A carefully organised visit to the former German Nazi concentration and extermination camp, with transport and official guided entry subject to availability.
Zakopane & the Tatra Mountains	A full-day escape to Poland's mountain capital, with Highlander culture, regional architecture and panoramic views. The itinerary can be adapted to the weather and the group's pace.
