

The 11th European Scientific Conference
on Steel and Composite Structures

EUROSTEEL 2026

September 16-18, 2026, Cracow, Poland

Guidelines for the presentation of papers

- All papers will be presented orally or in a poster session, according to the conference schedule.
 - The presenting author is asked to arrive at the conference room before the session begins to introduce himself to the chairperson. Please review and ensure before the session begins that your presentation are working properly.
 - The time allotted for oral presentations and discussion is **15 minutes**: 10 minutes for presentation + 5 minutes for discussion.
 - Please prepare **10-15 slides** containing headings, figures, and photos. Please avoid copying text directly from the printed version of the paper!
 - Please adhere to the time limit; otherwise, the chair will be required to interrupt the presentation and ask you to end it.
 - Please submit your presentation in PDF format (.pdf). The **maximum size** of your presentation is **20 MB**.
 - Recommended font sizes for presentations are: 24 points for the heading, 20 points for the text, and 18 points for the figure caption.
 - The first slide of the presentation should include the conference logo, the paper title, the names and affiliations of all authors, and the presenter should be underlined.
 - The slides footer should include the slide number divided by the number of slides, e.g., 12/15.
 - Personal laptops will not be accepted. A laptop and projector will be available in the conference rooms.
 - Please submit your presentation to the Organizing Committee (**Eurosteel2026@pk.edu.pl**) by **September 11, 2026**.
 - The **file name** should include the session number, the order of publication within the session, the first author's surname, and the first two words of the paper title; e.g.: PS-3a/4/XXXX/*Influence of*.pdf.
-
